Dear Community Members and Music Education Supporters,

Music is about communication, creativity, and cooperation, and by studying music in schools, students have the opportunity to build on these skills, enrich their lives, and experience the world from a new perspective.

At Santa Teresa High School, the opportunities for music students have expanded dramatically over the past decade. Under the guidance of director Julie Bounds, the program more than doubled in membership and, in turn, new ensembles have been formed to accommodate the influx of students.

In order to maintain our high level of excellence in providing music instruction and performance experiences for our band members, the Santa Teresa Music and Arts Association needs to fundraise its entire operating budget of \$195,000 for the 2016-2017 school year. This budget supports all the bands; Marching Band & Color Guard, Concert Band, Symphonic Band, Wind Ensemble, three jazz bands, multiple jazz combos and chamber ensembles.

For that reason, we ask you to consider becoming a sponsor to our **Music Marathon fundraiser**, which will be held on Friday, March 3rd, 2017. By contributing to this program, you will gain valuable exposure from our loyal following of parents, community leaders and the general public. Our audience is your audience.

During the Music Marathon our bands will be playing live music for 16 hours from 8am to midnight. A Community Carnival with fun games and food will be held, as well as a Battle of the Bands and silent auction.

Your Music Marathon Sponsorship will help cover our program expenses, which include new instruments, music, instrument repair, uniforms, food, transportation and housing for competitions, and specialized music and drill instruction.

Attached you will find the benefits you will receive in return for sponsoring our program. The STMAA, tax ID number 20-0476662, is a tax-exempt 501(c)(3) nonprofit public benefit organization, committed to providing everything the Santa Teresa Band Program needs.

Thanks in advance for supporting our STHS Band Program, Your Gateway to Community.

Sincerely,

Astrid Tromp
