##### **Additional Notes about Saturday competition from WBA:**

- Only vehicles with a parking pass (from Ms. Bounds) will be allowed in the designated bus and truck parking lots.
- All participating bands have a pre-assigned parking area. All drivers/vehicles will be directed to their assigned parking area by a WBA volunteer.
- WBA has designated warm up areas for this competition.
- Outside food or beverage is not allowed in the stadium. It is your responsibility to clean up after your band and remove all your trash.

**Finalists:** The top three (3) from each of the 1A, 2A, & 3A classes plus the next six (6) highest scores will advance to the 1A-2A-3A Combined Grand Championships on Sunday. Bands will perform in reverse order of class championships score regardless of class.

#### **Photography & Video:**

- WBA will offer a live stream of every performance via our new subscription partnership agreement with FloMarching. Get more details on the live streams at <http://www.Flomarching.com/events>
- No cameras are allowed on the field for this event.
- Still cameras are allowed in the stadium.
- Tripods or other similar equipment that may obstruct the view or path of travel of others in the seating areas are not allowed and will be removed by stadium security personnel.

#### **Housing:**

- We are staying in a gym this year so students need to bring a sleeping bag, pillow & sleeping pad (recommended) to sleep on the gym floor. We will be using the showers/bathroom facilities at the school and will stagger the showers in the morning so the schools are not sharing.
- We will have school staff & parent chaperones staying overnight at the school.
