2017 Summer Music & Movement Camp At Santa Teresa High School

For junior high school and
high school band and
color guard students

June 26-30 and July 3rd
Plus the Morgan Hill
4th of July Parade

Sponsored by the
Santa Teresa Music and Arts Association
and Santa Teresa High School

Santa Teresa High School & Santa Teresa Music & Arts Association are pleased to announce the 1st annual Summer Music & Movement Camp at Santa Teresa High School. This camp lets musicians and color guard students experience both parade and concert preparation and performance in a fun, social atmosphere with guidance and instruction on their specific instrument or equipment.

WHO

The Summer Music & Movement Camp is open to all junior high and high school students. Musicians (wind and percussion) must have at least 1 year experience on their instrument. No experience is required for color guard students.

Note: this camp is separate from other band activities at Santa Teresa High. Students do not need to be current or prospective Santa Teresa students. **ALL ARE WELCOME.**

DATES

Camp is every day, June 26-30. An additional parade practice will be held for all campers on July 3rd and parade performance will be July 4th.

Day camp and parade practice will be held at Santa Teresa High School at 6150 Snell Avenue, San Jose, 95123.

COST

The cost for camp and parade activities is \$300, and includes a camp T-shirt. A \$150 nonrefundable deposit is due by June 1, with the balance due upon check-in.

Scholarships are available. Please contact Ms. Bounds at stmusicteacher@gmail.com.

TRACKS

Students can choose which track they would like to participate in:

- **Wind Instruments**
Brass and woodwind players will have sectional practice, full band rehearsals, and marching practice
- **Percussion**
Percussionists including drumline and pit musicians will rehearse for both concert and parade performance, including marching basics.
- **Color Guard**
Color guard students will learn fundamentals of movement and equipment, including flags, rifles, and sabers, and the basics of marching.

FULL CAMP CHOIR

Every student has one instrument with them at all times: their voice. All campers are included in the Full Camp Choir, regardless of what track they choose or skill level. Singing together strengthens music fundamentals for all students and brings the band together as a unit.

PERFORMANCES

Campers will perform at the end-of-week Finale Concert to commemorating the 4th of July holiday in the evening on June 30th. The Finale Concert location will be announced soon.

Campers will also perform a parade routine in the Morgan Hill 4th of July parade. A parade rehearsal will be held on July 3rd.

Family and friends are invited and encouraged to attend both events.

WHAT TO WEAR

Students should wear comfortable, athletic-style clothing and shoes that meet normal school guidelines. No jeans or flip-flops. Hats and sunscreen are strongly recommended.

WHAT TO BRING

Wind students should bring their instrument and any additional supplies (reeds, cork grease, etc.) Percussionists should bring their sticks. Equipment for color guard will be provided. **Everyone should bring water bottles or jugs (marked with their name), plenty of sunscreen, lunch or money for lunch.** There are several affordable restaurants across from Santa Teresa High School

STAFF

The camp is directed by Julie Bounds, Music Director at Santa Teresa High School, and is staffed by a host of professional musicians, many of whom have worked with the award-winning Santa Teresa High School Bands & Color Guard.
