

Add A Poinsettia to Your Order for Just \$15!

This year, STMAA is also offering poinsettias along with the Christmas greens. You can purchase **one** poinsettia for just \$15. You will receive a 14-16" plant (average height) in a 6½" pot.

**Pick up is the same time as the Christmas Greens:
December 2, 2017 from 9am-1pm
in the STHS student parking lot near the football field**

Do I have to purchase greens to get a poinsettia, or can I just get a poinsettia?
You can purchase just a poinsettia without purchasing other items, if you desire.
STUDENTS: use the same receipt as the greens even if the order is just one poinsettia
- see instructions below.

Can I buy more than one? Not at this time. Due to supply constraints, only one plant can be purchased per customer for now. If you are interested in more, please note that on your receipt and we will contact you if they become available.

Sample Receipt & Instructions for Poinsettia Orders:

Cross off one of the choices the customer are not ordering like "evergreen swag" and just write 1 poinsettia \$15 with the quantity and the total at the right. Only one per person is available at this time.

Final Date for Ordering: November 10, 2017
